

## 4 v 4 Get in the Zone

**Emphasis:** Dribbling to beat an opponent.

**Set-up:**

20 x 30 yard grid. 8 players. Two sets of colored bibs. Cones are used to create a 5-yard wide end-zone at each end of the grid. Flags are used to create two mini goals at each end of the grid. Repeat set-up to accommodate entire team.

**Objective:**

Both teams compete for the ball. One point is awarded for successfully dribbling into the opponents' end-zone area, 3 points for successfully dribbling through either of the opponents mini goal.

**Progressions:**

Award extra points for beating an opponent with a move prior to entering the end-zone or mini goal.

**Coaching Points:**

- Attack the defenders at speed.
- Accelerate to get past defenders.
- Utilize moves, dodging fakes etc.
